Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rule 1.322.

Inspection of the file of the application for the patent reveals that columns 7 and 8 of the specification is/are printed in accordance with the record in the Patent and Trademark Office, as amended and passed to issue by the examiner. The requested changes reverse the changes made in the Examiner's Amendment at the time of allowance and would change the scope of the claims. In view of the foregoing, your request for certificate of correction is hereby denied.
